The night started and ended perfectly, I am beyond happy with my experience. If you are looking for a wedding venue in the Grand Forks area, this is it. No need to look further. “Our day was PERFECT! We are so glad we chose Cloud 9 for our reception and are so thankful our friends and family were able to stay at The Olive Ann Hotel for our wedding! The hotel staff went above and beyond to stick to their word and accommodate our stay, which was the first day of opening the hotel. The hotel is absolutely gorgeous and the attention to detail makes it so unique. We utilized the O.A. Presidential Suites for the bridal parties to get ready in and the spaces worked great! The rooms are spacious and made it so convenient to be so close to the reception venue. Cloud 9 is absolutely stunning and the views are gorgeous. Skies 322 did such a great job with all the food and drinks as well. The on-site staff was excellent and made our day go so smoothly! We also utilized the space for brunch the next day, which was so convenient and made for such a great time to say goodbye to our friends and family.

Our wedding weekend came together perfectly!

We truly were on Cloud 9!”
